

# 3.5" X 3.5" X 2" Gen-Sep

## Part # 1020351

Centek Gen-Seps™ divert the exhaust gas and cooling water to separate outboard ports. Must be used in conjunction with a Vernalift™ muffler. Gen-Seps™ provide additional sound attenuation. The inlets and outlets are available in other configurations. Contact Centek Engineering Department for more details.

Gen-Sep™ Family

### MATERIALS AND CONSTRUCTION

Process	Filament Winding CNC, Resin Transfer Molding
Resin	Class 1 Fire Retardant Epoxy Vinyl Ester Thermoset
Glass	Corrosion-Resistant E Glass

### ATTRIBUTES

A1 - Inlet - Outlet (IN / MM)	3.50 / 89 - 3.50 / 89
A2 - Drain (IN / MM)	2.00 / 51
H - Height (IN / MM)	21.00 / 533
J - Width (IN / MM)	18.00 / 457
K - Depth (IN / MM)	7.56 / 192
Color	Standard White; Black, Gel-Coat, Yacht Quality, Yacht Quality Plus Available
Approvals	Lloyd's Register Type Approval
Flame Retardancy	UL94V-0
