

3" Scupper w/Flapper (Black)

Part # 1200252

Made from high-pressure compression molded fiberglass, the Centek Scupper Drain allows water to drain from the deck while also inhibiting the reverse flow of water. Not intended for exhaust applications.

Fittings Family

MATERIALS AND CONSTRUCTION

Process	Compression Molding
Resin	Class 1 Fire Retardant Polyester Thermoset
Glass	Corrosion-Resistant E Glass

ATTRIBUTES

Color	Black
Approvals	Lloyd's Register Type Approval
Flame Retardancy	UL94V-0
