

3" X 3" X 5" Wye Fitting

Part # 1200320

Centek WYE fittings are made from the same corrosion resistant high temperature resin used in Vernatube. Precise outer dimensions assure easy connections.

Fittings Family

MATERIALS AND CONSTRUCTION

| | |
|---------------------|--|
| Process | Filament Winding CNC, Resin Transfer Molding |
| Resin | Class 1 Fire Retardant Epoxy Vinyl Ester Thermoset |
| Glass | Corrosion-Resistant E Glass |
| Glass / Resin Ratio | 60% |

ATTRIBUTES

| | |
|------------------------|---|
| A1 & A2 - OD (IN / MM) | 3.00 / 76 |
| A3 - OD (IN / MM) | 5.00 / 127 |
| C - Lengthj (IN / MM) | 14.87 / 378 |
| H - Height (IN / MM) | 10.08 / 256 |
| Color | Standard Unpainted, White, Black; Gel-Coat; Yacht Quality; Yacht Quality Plus |
| Approvals | Lloyd's Register Type Approval |
| Flame Retardancy | UL94V-0 |
