

1.75" x 2" x 90 Degree Reducer Elbow

Part # 1200523

Made from the same materials as Vernatube, Centek reducer elbows offer the best in heat resistance and strength. Precise outer dimensions and smooth inner surface assure easy connections with minimal flow restriction.

Fittings Family

MATERIALS AND CONSTRUCTION

Process	Filament Winding CNC, Resin Transfer Molding
Resin	Class 1 Fire Retardant Epoxy Vinyl Ester Thermoset
Glass	Corrosion-Resistant E Glass
Glass / Resin Ratio	60%

ATTRIBUTES

A1 - Inlet (IN / MM)	1.75 / 44
A2 - Outlet (IN / MM)	2.00 / 51
C - Lengthj (IN / MM)	6.00 / 152
Color	Standard Unpainted, Black, White; Gel-Coat; Yacht Quality, Yacht Quality Plus
Approvals	Lloyd's Register Type Approval
Flame Retardancy	UL94V-0
