

2" x 2" x 45 Degree Surge Chamber

Part # 1201018

Centek Surge Chambers are instrumental in preventing surging water from flowing up towards the exhaust manifold. Made from the same materials as Vernatube, Centek Surge Chambers are available in standard white or black paint as well as gel-coat and YachtPlus finish.

Fittings Family

MATERIALS AND CONSTRUCTION

Process	Filament Winding CNC, Resin Transfer Molding
Resin	Class 1 Fire Retardant Epoxy Vinyl Ester Thermoset
Glass	Corrosion-Resistant E Glass
Glass / Resin Ratio	60%

ATTRIBUTES

A - OD (IN / MM)	2.00 / 51
C - Length (IN / MM)	9.00 / 229
H - Height (IN / MM)	5.56 / 141
Color	Standard Unpainted, Black, White; Gel-Coat; Yacht Quality, Yacht Quality Plus
Approvals	Lloyd's Register Type Approval
Flame Retardancy	UL94V-0
