2.5” X 2.5” X 1.5” Gen-Sep

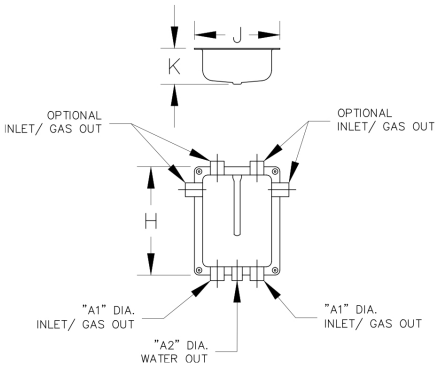
CENTEK MARINE

Part # 1020250

Centek Gen-Seps™ divert the exhaust gas and cooling water to separate outboard ports. Must be used in conjunction with a Vernalift™ muffler. Gen-Seps™ provide additional sound attenuation. The inlets and outlets are available in other configurations. Contact Centek Engineering Department for more details.

Gen-Sep™ Family

MATERIALS AND CONSTRUCTION	
Process	Filament Winding CNC, Resin Transfer Molding
Resin	Class 1 Fire Retardant Epoxy Vinyl Ester Thermoset
Glass	Corrosion-Resistant E Glass
ATTRIBUTES	
A1 - Inlet - Outlet (IN / MM)	2.50 / 64 - 2.50 / 64
A2 - Drain (IN / MM)	1.50 / 38
H - Height (IN / MM)	20.50 / 521
J - Width (IN / MM)	17.50 / 445
K - Depth (IN / MM)	7.00 / 178
Color	Standard White; Black, Gel-Coat, Yacht Quality, Yacht Quality Plus Available
Approvals	Lloyd’s Register Type Approval
Flame Retardancy	UL94V-0



Lloyd’s Register TYPE APPROVAL

ISO 9001:2015
