

4" X 4" X 2.5" Gen-Sep (Right Hand)

Part # 1029001

Centek Gen-Seps™ divert the exhaust gas and cooling water to separate outboard ports. Must be used in conjunction with a Vernalift™ muffler. Gen-Seps™ provide additional sound attenuation. The inlets and outlets are available in other configurations. Contact Centek Engineering Department for more details.

Gen-Sep™ Family

MATERIALS AND CONSTRUCTION

Process	Filament Winding CNC, Resin Transfer Molding
Resin	Class 1 Fire Retardant Epoxy Vinyl Ester Thermoset
Glass	Corrosion-Resistant E Glass

ATTRIBUTES

A1 - Inlet - Outlet (IN / MM)	4.00 / 102 - 2.00 / 102
A2 - Drain (IN / MM)	2.50 / 64
H - Height (IN / MM)	27.00 / 686
J - Width (IN / MM)	23.50 / 597
K - Depth (IN / MM)	9.00 / 229
Color	Standard White; Black, Gel-Coat, Yacht Quality, Yacht Quality Plus Available
Approvals	Lloyd's Register Type Approval
Flame Retardancy	UL94V-0
